| <b>DOD: 9-19-03</b> |                      |   | <p><b>HUBERT DONNY</b>, Co-Executor with full IAEA without bond, are Petitioners.</p> <p>Petitioner states co-Executor Robert Donnie died January 8, 2008.</p> <p>I &amp; A filed 10/21/2004 indicates a total estate value of \$225,000.00 consisting of real property located on Van Ness in Fresno.</p> <p>POH: \$0</p> <p>Co-Executor (Statutory): Waives</p> <p>Attorney (Statutory): \$7,500.00</p> <p>Costs: \$775.00 (filing, publication, appraisal, certified copies)</p> <p>Petitioner states the real property was sold during administration. At this time, there is no cash balance of the estate subject to distribution by the Court.</p> <p><b>Petitioner prays for an order as follows:</b></p> <ol style="list-style-type: none"> <li>1. Ratifying, confirming and approving the acts and transactions of the Co-Executors;</li> <li>2. That the estate be closed;</li> <li>3. That the account be settled, allowed and approved;</li> <li>4. Distribution of estate not now known or discovered to the persons entitled thereto;</li> <li>5. Petitioner waives statutory compensation;</li> <li>6. Authorizing payment of the statutory attorney compensation and costs; and</li> <li>7. For all other proper orders.</li> </ol> | <p><b>NEEDS/PROBLEMS/COMMENTS:</b></p> <ol style="list-style-type: none"> <li>1. The heirs of the estate were Co-Executors Hubert Donny and Robert Donny. Robert Donny died in 2008. The petition states the real property was sold, but does not indicated how the proceeds were distribute. The Court may require clarification as to how the proceeds were distributed.</li> <li>2. Petitioner requests the Court ratify and approve the acts and transactions of the Co-Executors; however, it appears the estate was distributed without Court authorization in violation of Probate Code, and then abandoned, requiring status hearing to be set by the Court for closure 10 years later. The Court may strike language ratifying such acts from the order.</li> <li>3. Attorney Renge requests the full amount of statutory fees and reimbursement for costs based on the I&amp;A. However, the petition does not provide an explanation for failure to timely close the estate. Examiner notes that there had been no activity in the estate between filing the Inventory and Appraisal on 10-21-04 and the status hearing set by the Court in November 2013 – over 9 years – even though the property was apparently sold and proceeds distributed in violation of Probate Code requiring petition and order. Pursuant to Probate Code §12205, the Court may reduce compensation.</li> </ol> |

The assets consisted of bank accounts and an investment account which were transferred prior to the decedent's death to either joint tenancy or solely in the name of a local attorney. One of those assets involved the sale by the attorney of stock which resulted in IRS assessing more than \$25,000.00 in taxes. As a result the IRS levied against the bank accounts of the decedent in 2006 after his death. The Administrator filed a lawsuit against said attorney which resulted in settlement and payment of the assets directly to Petitioner as the decedent's daughter (contents of a safe deposit box) in addition to a \$3,000.00 settlement. Receipt filed 11-3-08.</p> <p>Petitioner states during administration, counsel for petition was also able to obtain a full refund from the IRS in the approximate amount of \$29,000.00 on a levy mentioned above. The refund was paid directly to Petitioner as the sole heir by the IRS.</p> <p>Petitioner states the entire value of assets listed on the I&amp;A (\$42,565.84) was paid directly to Petitioner and an ex parte petition to terminate the probate was sought since no assets came into the estate, but it was denied.</p> <p><b>Petitioner requests that: 1) Administration be brought to a close without accounting; 2) All acts and proceedings of Petitioner as personal representative be confirmed and approved; 3) That the waiver of statutory attorney fees and commissions be approved; 4) That payment of the decedent's assets directly to Petitioner as a result of the lawsuit and IRS refund be approved; 5) That distribution of any other property not now known or discovered be made to Petitioner as sole survivor of the decedent; and 6) that any further orders be made as the Court considers proper.</b></p> | <p><b>NEEDS/PROBLEMS/COMMENTS:</b></p> <p><b>Continued from 3-5-14</b></p> <p><b>See Page 2.</b></p> |                                     |

## NEEDS/PROBLEMS/COMMENTS:

1. The Court may also require clarification as to the Administrator's failure to close the estate within a reasonable time frame.
2. Although I&A includes total assets of \$42,565.84, Petitioner now states that no assets were received into the estate: The \$3,000.00 settlement, the \$29,000.00 IRS refund, and the contents of the safe deposit box were paid directly to the Petitioner. However, this does not account for the other assets inventoried (cash accounts totaling over \$10,000.00) and further appears to be an inappropriate and unauthorized distribution, since the estate was opened in order to pursue the assets, and once received, should have been received by the estate.

Need authority for receipt outside of the estate.

3. Regardless of what is on hand at the present time, the estate did recover assets that were distributed, appropriately or not, to the Petitioner as the sole heir. Therefore, the filing fee for this final petition of \$435 is due.
4. Receipt filed 11-3-08 indicates receipt of various personal property items that were not inventoried or valued, including jewelry, antique coins, other). Personal property must be appraised by the probate referee. Probate Code §8900 et seq.
5. Need proof of service of Notice of Hearing with a copy of the Petition at least 15 days prior to the hearing pursuant to Probate Code §1252 and Request for Special Notice filed 12-8-06 on County of Fresno Revenue Reimbursement Division.
6. Petitioner States the creditor's claim of \$24.32 was paid from her own personal funds; however, no allowance was filed by the petitioner, and no withdrawal was filed by the claimant (County of Fresno).
7. ~~Petitioner does not address notice to the Director of Health Care Services pursuant to Probate Code §9202(a). If notice was required but not completed, continuance for proper notice and time for response is necessary. DHS has four months to respond.~~

Update: Notice of administration was sent to DHS on 3-7-14. Thereafter, DHS filed a Creditor's Claim for \$28,595.99 and a Request for Special Notice.

Therefore, need proof of service of Notice of Hearing on DHS with a copy of this petition at least 15 days prior to the hearing per Probate Code §1252.

8. Need order.

**Petitioner prays for an Order:**

1. Settling Trustee's Third Account and allowing, confirming and approving all acts and transactions set forth in the *Petition*;
2. Approving fees received by the Trustees through 1/3/2014, and authorizing the balance owed of **\$264.00**;
3. Authorizing Trustees to pay their attorneys the sum of **\$4,061.50** for attorney fees and costs advanced through 3/15/2014;
4. Accepting the resignation of Christopher Kennedy and discharging and exonerating him from further responsibility for the affairs of the Diaz SNT effective 11/15/2013.

**NEEDS/PROBLEMS/COMMENTS, continued:**

2. *Petition* states that on 1/10/2014 the Trustee used SNT funds to purchase a car to be used for transporting Beneficiary; that on 1/14/2014, Trustee entered into a written agreement (*copy attached as Exhibit B*) with Janie Jiminez and Joe Jiminez, sister and brother-in-law, formalizing their agreement to provide 24-hour care and supervision of Beneficiary in their home, as well as transportation of the Beneficiary for **\$400.00** per month; and that Mr. and Mrs. Jiminez are registered owners of the vehicle and the Trust is shown as lienholder. Petitioner states that the Trust defines special needs as "vehicles," thus the Trust permits Trust funds to be used for this purpose. Notwithstanding that the Trust includes vehicle in such definition, this type of significant expenditure is characterized as a distribution to the Beneficiary and is accounted for on the schedule of property on hand, and Court may require Trustees to seek prior Court approval for these types of purchases rather than the Trustees taking the action without direction and authority from the Court. It appears such expenditure should be discretionary for the Court's determination based upon Trustees providing the Court with adequate information regarding the purchase, such as three price quotes from automobile dealers and taking other such precautionary measures for limiting spending of SNT assets. Further, the *Care and Transportation Service Agreement* between the Trustees and Janie Jiminez and Joe Jiminez appears to be a contract for which the Trustees should have sought Court approval prior to entering, particularly given that pursuant to the agreement a monthly fee is paid to the Jiminez' from the Trust, the Trust pays for the vehicle insurance (title is held by the Jiminez'), and the agreement authorizes the Jiminez' to use the vehicle for their personal transportation when the vehicle is not needed for transport of the Beneficiary.

The following filing fees totaling \$830.00 are due prior to any distribution:<br>- \$395 (initial petition filed 5-17-12)<br>- \$435 (petition for distribution filed 3-25-13 by Karla Dean)<br><b>2.</b> Intestate heir Mary Johnson was a minor in 2012 when the estate was opened. She signed her Assignment of Interest on 4-16-13. It is unclear if she had reached 18 by that time. If not, the Court may require a new assignment to be signed, or revised distribution. Need clarification.<br><b>3.</b> Petitioner requests \$248.00 in extraordinary fees for preparation and filing the final estate tax return, and also requests \$500.00 for "Final Tax Preparation." Need clarification.<br><b>4.</b> Petitioner does not include the filing fee of \$435 for this petition in the request or payment calculation for the heirs of \$5,985.50. If requested, that brings the closing costs to a total of \$7,250.50 (including the \$435 paid for this petition and the \$830 due per #1 above). |

**Report of Attorney Bagdasarian for Conservatee filed on 03/07/2014** states he has reviewed the Petition for Appointment of Probate Conservator of the Person filed 01/28/2014, the Court Investigator Investigation to Establish Temporary Conservatorship, the Confidential Supplemental Information filed 01/28/2014, the Amended Petition for Appointment of Temporary Conservator of the Person and Estate filed 02/28/2014 and Amended Capacity Declaration. Attorney Bagdasarian has discussed the Petition with J. Stanley Teixeira, the Attorney for the proposed Conservators Brian Snavelly and Brad Snavelly.

Attorney Bagdasarian visited the proposed Conservatee on 03/03/2014 and discussed with him the matters raised in the Petitions for Appointment of the Probate Conservator of the Person and Estate. In speaking with the proposed Conservatee, he was extremely adamant that he did not feel that he required the conservatorship of the person and estate to be imposed upon him and asked that it be dismissed. Mr. Snavelly's son has now moved in with him and is providing the necessary care the he needs. Mr. Snavelly handles most to his own banking matters and property issues and wants to continue to do the same. While the capacity declaration indicated a mild dementia, Mr. Snavelly does not believe that should effect his ability to handle his own health issues and manage his assets.

**Court Investigator Julie Negrete filed a report and a supplemental report on 03/04/2014.**

|   |  | <p><b>KEVIN S. CAMPBELL</b>, beneficiary, is Petitioner.</p> <p>Petitioner states he is an income and principal beneficiary of <b>The Jerry W. Campbell and Billie J. Campbell Irrevocable Trust dated March 28, 1991</b>. The trust is irrevocable.</p> <p>Petitioner states <b>DAVID E. ASH</b> is the duly appointed and acting trustee. Petitioner states the trustee has not made any report of information whatsoever concerning the trust for the period starting with commencement of the trust on 3-28-91 until 8-3-00. For the period 8-3-00 until 2-1-09, the trustee provided incomplete and handwritten information (see attached copies). All of this incomplete and handwritten information is written so sloppily that it is difficult or impossible to comprehend. Moreover, because no information has been provided concerning the trust from 3-28-91 through 8-3-00, there is no context for understanding what little incomplete information has been provided.</p> <p>Petitioner states that on or about 7-1-13 Petitioner delivered by facsimile a written request for information pursuant to Probate Code §§ 16062 and 16063. To date, the trustee has failed and refused to prepare and provide Petitioner with the requested account.</p> <p><b>Petitioner prays for an order:</b></p> <p>1) <b>Compelling David E. Ash as trustee to prepare and file with this Court an account of the trust since its commencement on 3-28-91, including copies of any and all documents that support, substantiate, or evidence any item set forth in the accounting;</b></p> <p>2) <b>Instructing David E. Ash to petition this Court for the settlement of the account and give notice of the hearing on the petition;</b></p> <p>3) <b>For such attorney fees and costs as may be allowable by law; and</b></p> <p>4) <b>For all other orders the Court deems proper.</b></p> | <p><b>NEEDS/PROBLEMS/COMMENTS:</b><br/>         Continued from 4-9-14. As of 5-15-14, nothing further has been filed. The following issues remain:</p> <p>1. Probate Code §17201 requires the petition to list <u>all persons entitled to notice</u>. Petitioner lists the other <u>living beneficiaries</u>; however, need clarification: Does this list include <u>all persons entitled to notice</u> pursuant to §17203?</p> <p>For example, it appears that according to the terms of the trust, spouses and issue of beneficiaries may also be entitled to notice. Some of the beneficiaries are deceased. Is anyone else entitled to notice?</p> <p>2. Need dates of death per Local Rule 7.1.1.D. for:</p> <ul style="list-style-type: none"> <li>- Jerry W. Campbell (trustor)</li> <li>- Billie J. Campbell (trustor)</li> <li>- Randall Campbell (deceased beneficiary)</li> <li>- Ricky Campbell (deceased beneficiary)</li> <li>- Jennifer Campbell (deceased beneficiary)</li> </ul> <p>3. The attached copy of the trust is blank at various pertinent sections, such as the amount initially transferred, the appointment of a trustee, the amount initially received by the trustee, and Schedule A. Need clarification: Is a complete copy of the trust available?</p> <p>4. According to the terms of the trust, the trust was to be split into six <u>separate</u> trusts for each beneficiary upon the deaths of the trustors. However, Petitioner appears to be requesting accounting for the original trust since its inception through the present.</p> <p>The Court may require clarification regarding the requested account period and for which trusts.</p> <p><u><b>SEE ADDITIONAL PAGES</b></u></p> |

NEEDS/PROBLEMS/COMMENTS (Continued):

5. Probate Code §17000(b)(7)(B) allows petition under this section if the trustee has failed to provide the requested information within 60 days after the beneficiary's reasonable written request.

Petitioner states he faxed a request to the trustee on or about July 1, 2013, and to date the trustee has failed and refused to prepare and provide the requested account.

However, the copy of the letter at Exhibit C does not indicate any fax number or designation (i.e., "sent via facsimile") or fax confirmation data on the page, and Petitioner also does not indicate whether the communication was followed up via regular or certified mail, or telephone call, or whether he was able to confirm receipt of the fax.

Further, the copies of the ledger information provided by the trustee appear to be dated as late as November 2013, which is after the date of the request. This indicates that the copies may have been provided in response to the request.

If so, need clarification as to whether reasonable written request was made after receipt of the ledgers in response to the letters, providing time for response pursuant to Probate Code §17000(b)(7)(B).

6. The copy of the letter at Exhibit C is addressed to David Ash at an address on Locust Avenue; however, Notice of Hearing for this matter was sent to an address on Herndon Avenue. The Court may require clarification or continuance for proper notice.
7. The proposed order includes his filing costs and attorney fees in the amount of \$1,500.00. The Court may require an itemized declaration regarding the fees from the attorney.

Petitioners called CPS and the Fresno Police Department, and for Mario's safety he was placed in foster care overnight because his mother would not cooperate with the officers. |                                      |
|                     | <b>Letters</b>       | Petitioners state the next day, CPS had a meeting with the mother, then CPS spoke with Petitioners, and told Petitioners they had to give Mario to his mother because no one has custody of Mario. Petitioners state Mario knows that he is not home, as the Petitioners' home is his home. Petitioners state Mario's father was in his life for about 2 months after he was born, then the mother stopped talking to his father in about 2010, and Mario has only seen his father [on specified dates] in the past few years.   |                                      |

**Objection to Guardianship filed by MARIO DEAN VICKS, JR. on 5/15/2014 states:**

- The Petitioners state that he hasn't been in Mario's life when Mario was a baby;
- That is not true; he was there before he was born and after, doing the best that a young father could do;
- He admits that he had a drawback of immaturity when Mario was about 6 months and he wasn't acting responsible for his son, but after he did snap back into reality he started to make efforts to be in his son's life, and so far he has been to every one of Mario's birthdays and he had him for almost every holiday since Mario was a baby;
- Mario has also been spending time with him on the weekends, and with his other siblings as well;
- He is the best choice of who Mario should be with, and he believes every child should have their parents in their lives because he knows exactly what it's like not to have both;
- When he was around the same age as Mario, he was in foster care so when that incident happened to his son and he found out that Mario was taken from his mother by CPS and put in a foster home, it took him back and for him all he can remember is wanting his parents, so he knows what Mario must have been going through;
- He knows he would be best with him and his fiancé, who he has been with for 4 years and who has been very supportive in making sure his kids were in his life and him in theirs;
- When Mario is with he and his fiancé, Mario is in a stable home and is safe with his 2 step sisters and blood-related baby sister, with his own room and every else a kid should have;
- With his family's support, he has become a very well-respected father to his kids, including his 2 wonderful step-girls he has raised since they were 2 years and 8 months;
- Mainly because of the girls, he has become a better father towards his own over the years;
- Mario knows him and loves him, and he knows Mario does love and adore his grandparents, but he thinks the responsibility of raising Mario goes to him as Mario's parent unless evidence proves that both of them are unable to do so;
- He is very able to care for Mario and he and his fiancé do everything as a family, even when they want to go out by themselves they always bring their kids with them;
- He and his fiancé live in a housing program allowing them to have an affordable 3 bedroom apartment, and the in the program they both attend couple's counseling, parenting classes, and group classes; the program advisors also check on them twice a month with in-home visits and the apartment is a gated community with security cameras making it a safe environment for them;
- He and his fiancé buy Mario clothes, and made sure he had asthma medicine and got to the doctor when neither his grandparents or mother could;
- He hopes that his statements will show that he is qualified to be a good father and that he is the one that Mario should be with; the thanks the Court for its consideration of him
- Petitioner attached photos and 4 letters of character reference for the Court's consideration, including from Turning Point of Central California.

**Objection to Guardianship filed by KIMYA CLEVELAND, paternal grandmother, on 5/15/2014 states**

Mario should be raised by his father rather than his grandparents; his father is a responsible parent and there is no reason why Mario should not be with his father if his mother is unable to care for him.

**Petitioners filed on 5/19/2014 a Declaration** describing the events that took place with Mario after the Petitioners finally obtained custody of him on 5/9/2014 with their temporary Letters [granted ex parte], including Mario having severe throat pain and Petitioner taking him to the hospital on 5/10/2014 and his diagnosis was strep throat and Scarlet Fever; Mario telling Petitioners that his mother was dead and demonstrating as if someone was swinging and fighting to show them how she was killed; telling Petitioners that his mother was "a boy" and that the woman [Dominique Jetton] who his mother lives with told him not to eat any food at Petitioner's home; telling Petitioners that his mother made a dog lick his private parts and that his mother hurt him and his not his friend; and that his mother left him with the same man called "Uncle Pops" who had molested him and put a knife up to Mario and told him to "stay with your mama" and Mario was very frightened. Petitioners would like the Court to know these things that happened to Mario after CPS placed him back with his mother.
